Pastor's Message

Dr. Greg Davis, Senior Pastor

The Simplified, Accountable Board System | Part 6

A word about the Simple Accountable Board, the form of governance BUMC is moving toward. Based on my readings, here is a definition of "governance": It is the board's legal authority to exercise power and authority in the church on behalf of the membership. The board sets policies and makes decisions that affect the life and mission of the church. Governance is group action. Individual board members do not govern the organization. Rather, meeting as a group confers governing status to the board as a whole.

The Nominating Committee has read the book *Mission Possible* by Kay Kotan & Blake Bradford. Those who are asked to serve on the Simple Accountable Board will be required to read it. And I encourage anyone interested in this form of governance to read the book. Email me, I'll put a copy with your name on it at the front desk for pick up.

The board meetings will be open, anyone is welcome to attend.

The Nominating Committee is prayerfully looking for persons of mature and growing faith who have talents they can share in a leadership capacity – faithful, ethical, practical people.

There will be a Class of 2020, 2021, & 2022. Please be in prayer that the right persons will respond affirmatively for the right reasons so BUMC can move forward in the right way.
