## Pastor's Message

*Rev. Kelly Berne, Associate Pastor*

### Back to the Basics

Romans 12:2; Isaiah 40:30-31

Early in 2015, 35 business people were invited to the Moroccan Desert by a team of neuroscientists. These participants had careers and lives where they were predominately dependent on their smartphones and other devices. The participants were stripped of their digital devices—yes, all of them. The participants were studied to observe any behavioral changes that may result from living without their devices.

The results? After four days of being unplugged, participants exhibited changes in a variety of areas: improved posture, increased ability to maintain eye contact (instead of staring downward), improved sleep patterns, an ability to engage in more relaxed and meaningful conversations as well as the ability to remember more details mentioned during those conversations.

Furthermore, they developed deep friendships and better perspectives on how to lead a less stressful life. After the research trip, the participants said they wanted to permanently change their digital habits by disconnecting from technology at night and over weekends.

**The beauty of this passage is how it is so extremely relevant for us still today.**

The Message translates Romans 12:2 as, "Don't become so well-adjusted to your culture that you fit into it without even thinking." For example, how do we speak to each other? Caustically and sarcastically, like the people in the television

comedies speak to each other, or do our words convey love, encouragement, and compassion?

Do we go into debt to have a car that will "Wow" our neighbors and make us feel powerful, or are we concerned about "Wowing" the Lord Jesus Christ? What is important to us? Paul's message to the Roman church was about Godly living.

On July 12th my family will head out of town to Felder's Methodist Campground in Summit, MS. It will be a time and place where we all can unplug and get back to the basics. This time of being unplugged will be invaluable not only to me, but to my daughter as well. She has had a jam-packed summer volunteering at the local theatre, going on the choir tour and the youth mission trip to San Francisco, and then volunteering at Vacation Bible School. We will worship, we will fellowship, and we will renew our strength.

I am reminded of the faithful words of Isaiah in this moment:

<sup>30</sup> Youths will become tired and weary, young men will certainly stumble;

<sup>31</sup> but those who hope in the Lord will renew their strength;

they will fly up on wings like eagles; they will run and not be tired;

they will walk and not be weary

Often we think of summertime as a time to slow down, go on vacation, and relax. But many times it is anything but relaxing. So take time to unplug and get back to the basics. Reconnect with God, slow down long enough to not only hear His still small voice, but to embrace His word, guidance, and love.

Grace and Peace,

*Pastor Kelly*

### UMW Mission Trip to Clinton, Oklahoma

Diane Valentine and Sue Ottesen spent five days in Clinton, Oklahoma as teachers at the Clinton Indian Methodist Church. We were there from June 17th - 21st. The church is part of the UMC Oklahoma Indian Missionary Conference, and it serves as mission for the local community. We worked as part of a staff of 9 teachers from Texas and Louisiana UMW units and two men who had come with their wives. We had about 30 children and youth from ages 3-16. We presented the Children's Mission U Curriculum which taught about Jesus and his ministry. The kids participated in crafts, stories, games and outdoor fun during the week. We want to thank Rev. Donna Perow, pastor for the Clinton church, for allowing us to be a part of this wonderful experience and for all of her hard work to keep encouraging the children to learn about their Native heritage, traditions and language. We also thank our fearless leader, Cynthia Rives for her leadership.

**Meet at the church at 9AM**

Join us for a day trip on Saturday, July 20 to Rock Chapel in Carmel, Louisiana. The Carmelite Friars built the Rock Chapel c1891 in Desoto Parish. The monastery burned in 1904 but the Chapel still stands atop a hill and is well worth the drive off the beaten path down a country gravel road for a time of peaceful reflection in the forest. We will meet at the church at 9:00 a.m. and will be traveling in the church bus together. We will stop for lunch before returning to the church.

Please let Laura Vaughan know if you are interested in going at [laura@broadmoorumc.org](mailto:laura@broadmoorumc.org)
