## Streamlining - the Simplified, Accountable Board System

This is the first in a series of articles about BUMC's streamlining of decision-making. There will be change in church governance that will take effect January 2020. Led by consultant Gloria Fowler, the church council – with about 30 others in attendance – voted to move to a simplified, accountable board system.

The nominations committee will be meeting the first Sunday in August. Beginning with prayer and guided by the Holy Spirit, they will begin the task of simplifying the governance structure. Through 2019, BUMC has had four committees – church council, staff-parish (personnel), trustees, and finance. Each committee met and operated separately.

In the new model – the simplified accountable structure – there are NOT four separate committees, meetings and areas of responsibility. Instead, the entire new board will be responsible for all four areas. It is more in line with non-profit governance. It is comprehensive – rather than looking at an issue only through the lens of finance, the board can widen the lens and approach the issue or decision through the lens of trustees, staff-parish, finance, and the overall church.

It's like having four hats on the table during meetings. One is council, one is staff-parish, one is trustees, one is finance. When the topic of facilities is on the agenda, everyone puts on their trustees hat; then, when stewardship or budgetary issues are on the agenda, the trustees hats come off and the finance hats are put on.

In other words, every person on the board has all responsibilities in all areas.

Here's information about the simplified board: it will consist of three terms, or classes: 2020, 2021, 2022. In addition, the Lay Leader and Lay Delegates to Annual Conference will be on the board. So we are talking 12 persons involved in church governance.

## Powerful Words Have Power!

Powerful Words Have Power and how we use them matters. Join us for this three-week sermon series in The River while we address the Power of Our Words, how we might avoid using words to harm, and four keys to using our words in ways that give life.

The Bible notes that, "Death and life are in the power of the tongue" so we know we can make a difference simply by using our words wisely. We all know that with our words we can insult, or encourage; we can curse or bless. We are taught as children that sticks and stones may break our bones, but words will never harm us, and still, we each have been hurt by the words of others. Words allow us to build trust or tear it down; to strengthen relationships or to destroy them. In our political life, words can drive a wedge and divide us even further in these dividing times. Join us at 11 a.m. in August as we engage in this conversation of how we use our words faithfully, even when it's difficult.

Grace and Peace,  
*Pastor Kelly*

CSM panel this Sunday, the 28th | Sunday School Hour in the Chapel

We hope to see you there as we discuss the trip, show a slide show of our time in California, and answer questions.

Broadmoor Family,

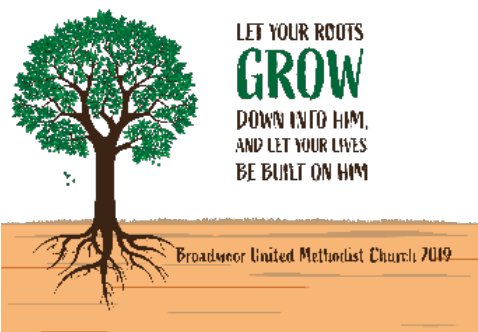

As the month of July comes to a close and we move toward a new school year, we invite you to join us Sunday, August 11th, in all three services as we celebrate all those who are headed back to school. We will have a gift for each of our students and are inviting any and all school teachers, administrators, principles, etc. to join us as well.

This year, as our theme, we are embracing **Colossians 2:7** "Let your roots grow down into him, and let your lives be built on him. Then your faith will grow strong in the truth you were taught, and you will overflow with thankfulness."

This coming school year we are making commitments to lots of things: sports, grades, friendships, plus many more. As we do so, I invite each of us to remember our **roots**:

- ♦ The **roots** each of us build together.
- ♦ The **roots** of faith we help to instill in ourselves and our loved ones.
- ♦ The **roots** that keeps us coming back to this great congregation.

It is through the continual building and strengthening of these **roots** that we can grow deeper in understanding our relationship to Christ.

## DARBY DUREL

## GOING BEYOND BOLD!

Officially the BOLD Faithful Campaign to eliminate the indebtedness of BUMC finished on May 31st. Through the generous support of 234 pledging families plus 208 non-pledging families, \$3.144 M was raised over the 48 month period of the campaign. The effort was very successful but not quite complete.

Many who have been giving weekly and monthly have agreed to continue their payments to help with our monthly obligation and get the debt paid off in total.

Please consider continuing your contributions or starting a new pledge beyond the BOLD Campaign. Whether you give in installments or a few times a year, all of your gifts are needed to complete this effort. And, if you have not yet been a part of this BOLD effort, please participate so we may finish this holy task and move on with the other opportunities God has for BUMC.

God bless!  
Rev. Terry Love

For some guests, this encounter will be their first experience with Jesus through the Church.

## KIDS HOPE USA

### ONE Makes all the difference.

One child, one hour is the heart of **KIDS HOPE USA**. Kids Hope is one caring adult, mentoring an at-risk child, one hour, every week. But one church, one school is its brilliance.

Broadmoor United Methodist and Kids Hope is starting its thirteenth year with Arthur Circle. Volunteers are matched with one child, trained on ways to help him or her with reading, math, and social skills.

Many of these children live below the poverty level and many have family members who are incarcerated, abuse drugs, or emotionally challenged. Studies show that young children who are exposed to caring relationships that offer hope, have a much better chance for success than their peers who are not given this opportunity. Won't you help us give hope to a precious child in dire need of hope? There are no specific skills needed...just a willing spirit.

#### **How can you get involved:**

Kids Hope is in need of prayer partners, readers, teacher encouragers, Friday friends, substitute mentors, library helpers and Kids Hope Angels. Each of these volunteer opportunities are vital to our service to the Kids Hope program. New this year, we are asking for families to adopt a teacher. There are so many ways we can help our adopted school.

*I hope many of you will want to participate in this ministry at Arthur Circle. **There will be a sign up table in Fellowship Hall, as well as outside The River. If you have any questions feel free to contact Jan Bookter at [janbook@aol.com](mailto:janbook@aol.com) or 318-632-5874. New mentor training will be Sunday, August 27th.***
