

### **Pastor's Message** *Dr. Greg Davis, Senior Pastor*

*BUMC's Governance Board members want to share what's going on with you in the Messenger. Unfortunately, the last three months went out the window thanks to the joy of COVID-19. This month, Mary Beth Lavery wrote the following for you to digest. God bless you.*

### **From Your Governance Board...**

As a member of the Governance Board, I was able to see firsthand all of the hard work and planning that went into our church being able to open its doors again. A huge round of applause needs to go to Dr. Greg Davis, Rev. Kelly Berne, Adam Phillee, and the rest of the BUMC staff regarding their hard work and dedication to Broadmoor and its members. I also know they had a fantastic group of volunteers and team members to help make it all possible. They have done an extraordinary job given all the circumstances and requirements in keeping everyone as safe as possible. As a healthcare worker, I couldn't be more proud of them. I know there weren't any decisions made lightheartedly. Everyone, including me, is anxious to get back to normal, but it will happen in due time. If you don't feel comfortable in attending just yet, that's okay. Come back when you feel comfortable! We still have several ways for everyone to stay connected. There are the online services that happen during the week. Greg Davis gives a devotional and update on Tuesdays, Dan and Adam provide music of various genres (hymns and spirituals to Broadway) on Wednesdays, Terry Love on Thursdays and Kelly Berne does a devotional on Fridays. You can still stream the services on Sundays! I was able to attend the church's first Sunday back and I think it went quite well. In all this chaos and change, we even got a new member! This says a lot to just how awesome our church is...even when we aren't operating as normal.

With this being said, please continue to remember your church in all this. Things are always changing. In order for things to continue the way they are and operate as normal, BUMC needs each and every one of you. The church needs your thoughts, prayers, and continued financial obligations. If we want Broadmoor to operate as it did before the pandemic, your financial support is needed most of all. We as a church know times are tough, but we can't forget the promises we made to our church. Our church has financial obligations just like we do. We want to keep some kind of normalcy in this chaotic world. This is definitely one routine we can keep. We need to continue to **Know, Grow and Go in God's Love!**

Yours in Christ

## Kids Hope Update

I know most of you have either heard or read by now that Arthur Circle School is closing. The great news is we are moving with the Arthur Circle School to the new Broadmoor Stem (previously Broadmoor Middle School). I met with the principal last week

and she very much wanted to know if we would continue our great work with the elementary school students and the staff. I and several volunteers will be packing up all our books, games, puzzles, art supplies and learning material that our church has accumulated over the years this week.

Our church has done so much for the students and staff of Arthur Circle. I want to give a big thank you to all the mentors, substitute mentors, prayer partners, encouragers, Friday friends and our new PALS program for all your time and service. In addition to all these awesome volunteers, I want to thank our many Kids Hope Angels for their donations. Last but not least, another big thank you to all

our church members who donate school supplies and help out anytime we ask. This is such a successful mission and each of you has played a part. I look forward to keeping you all up with how next year works. God is good!!!

*Congratulations to our very own Mary Caldwell in her new position as Director of the Noel Food Pantry!*
